Once this form has been completed and signed, please send it to us at the below address.

 Nucleus client relations, PO BOX 26968, Glasgow G2 9DY.

 If anyone forgets to add a date to their signature, we'll treat the day we receive this form as the signing date.

 If we don't have a nomination on file for you it may take longer to settle any pension death benefits to your beneficiaries. You can amend your choice at any point in time. Your expression of wishes will remain in force until you notify us, in writing, of any changes you wish to make.

 Please note that pension death benefits can be distributed as lump sum payment(s) or as an income for a nominee, or a combination of both.

I understand that if the scheme administrator chooses a beneficiary who is not named in this expression of wishes, drawdown income would normally only be available in limited circumstances. Therefore in order to allow the scheme administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

This expression of wishes is not binding on the scheme administrator but will help it when considering who is to receive benefits upon your death.
