Trust account

HMRC rules, introduced from 1 September 2022, require us to obtain proof that the trust is registered with the Trustee Registration Service (TRS). If you have not previously supplied the proof of registration document, please send it to us so we can verify that the beneficial ownership information on the trust record matches our own records.

Please note if Proof of Registration is not received this can delay processing of your request.

If you're unsure whether a trust should be registered on the TRS, please visit the dedicated GOV.UK page, as we're unable to provide advice on this matter, or register a trust on your behalf.
