How to create a 'What if' illustration - non-SIPP

This guide is demonstrated using an adviser user with master user role permissions. If you have different user role permissions, some functionality may not be available to you.

To create a 'What if' illustration it must be done on an existing client. Please refer to the guides on our website to search for a client or create a new client.

Once you've located your client, you can refer to this guide to proceed with creating the 'What if' illustration.

From the client home page, select the **Actions** button.

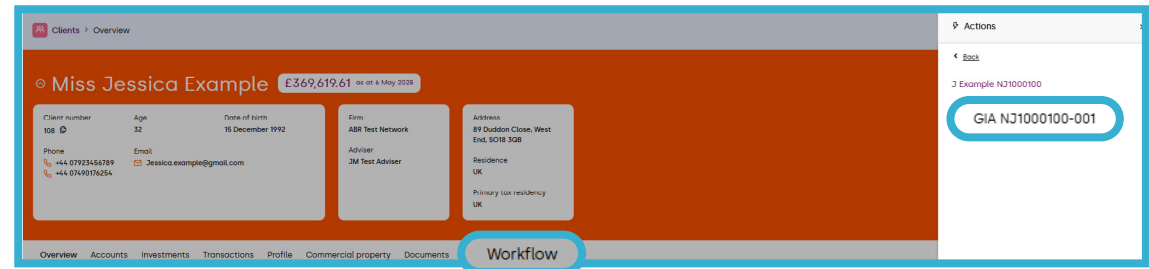

Select **Illustrations** and then **What if illustration**.

Select the account you wish to complete a what if illustration for.

At any stage of the illustration, you can save and exit. To resume the illustration, go to the **Workflow** tab within the client's account.

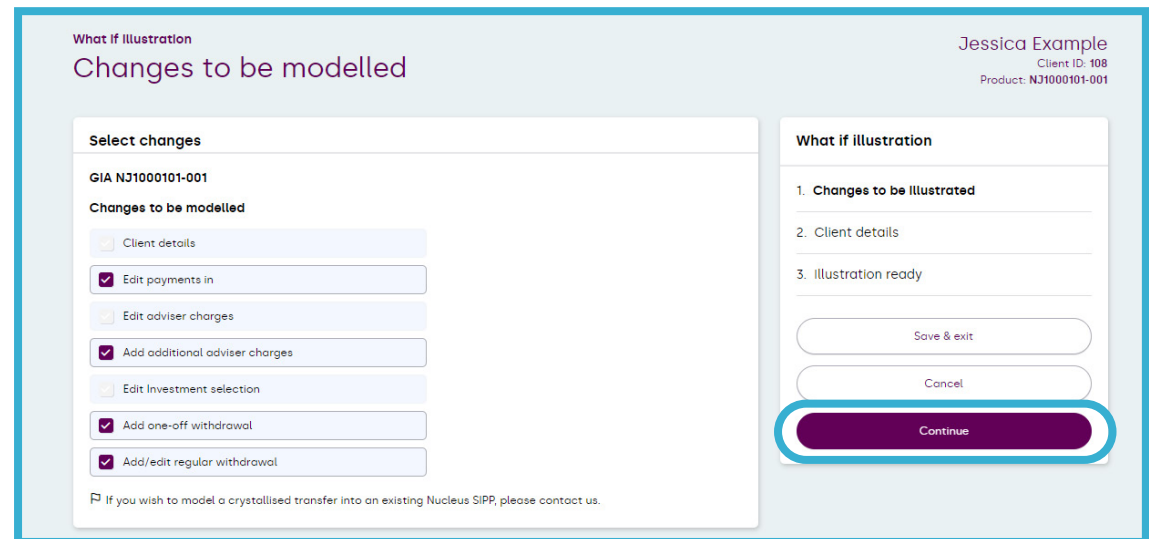

Key message

Your selection of the changes to be modelled will determine the sections and pages that require completion.

Select the changes you'd like to model within the illustration.

Once you're happy with your selection, select **Continue** to move on to the client details page.

Client details

Confirm the client details are correct and select **Continue** to move to the **Edit payments in** screen.

Edit payments in

Select how funds will be received. You can choose more than one option.

Single payment

Enter single payment amount.

Regular payments

Enter the regular payment amount, payment frequency, first collection date and the duration.

The first collection date can be any date from 1-28 days of the month. There's a minimum of ten working days and a maximum of 13 calendar months in the future required to set up the Direct Debit instruction.

The payment method will be pre-selected to Direct Debit.

The screenshot shows a web interface for editing payments in a 'What if illustration'. The client is 'Jessica Example' (Client ID: 108, Product reference: NJ1000101-001, Product: GIA). The main section is titled 'Edit payments in' and contains two payment options, both of which are checked:

- Single payment:** The 'Single payment' radio button is selected. The amount is £ 1000 and the payment method is 'Bank transfer'.
- Regular payment - Client:** The 'Regular payment - Client' radio button is selected. The amount is £ 250, the payment frequency is 'Monthly', the next collection date is 20/05/2025, and the until date is 'Until further notice'. The payment method is 'Direct Debit'.

At the bottom, there is a 'Transfers' section. On the right side, a progress bar shows the following steps:

1. Changes to be illustrated ✓
2. Client details ✓
3. Edit payments in
4. Edit adviser charges
5. Add additional adviser charges
6. Investment selection
7. Add one-off withdrawal
8. Add/edit regular withdrawal
9. Illustration ready

Buttons at the bottom right include 'Save and exit', 'Cancel', and 'Continue'.

Transfer payments

Select **Yes**.

Enter the ceding provider's name into the search bar and select the provider from the search list.

If you're unable to find the ceding provider, you can add the details manually by selecting **Add provider manually**.

Confirm whether this is either a cash transfer or re-registering assets.

Selecting cash

Enter an estimate of the current value of the transfer.

Selecting re-register

When re-registering assets, you'll need to add each asset that requires registration by searching for it within the search bar and selecting the asset. Searches can be done on fund name, ISIN, SEDOL or fund code. Once the asset has been added provide how many units are held.

Select **Advanced search** if you wish to refine your search.

Once the transferring asset is found click **Select** and enter the quantity.

Enter the cash portion of the transfer.

If there are multiple transfers, select **Add another transfer**.

Once you're happy with the payment in details, select **Continue** to move on to the next page.

The screenshot displays the 'Transfers' section of a financial software interface. It is divided into two main panels: 'Transfers' on the left and 'What if illustration' on the right.

Transfers Panel:

- Transfer in:** Radio buttons for 'No' and 'Yes' (selected).
- Transfer 1:**
 - Transferring scheme:** Search bar containing 'James Hay Pension Trustees Limited' and a '+ Add provider manually' link.
 - Electronic transfer supported?:** No.
 - Transfer type:** Radio buttons for 'Cash' and 'Re-register assets' (selected).
 - Total estimated transfer value:** £36,239.00.
 - Assets to be re-registered:** Tabs for 'Funds', 'Exchange traded', and 'Other investments'. Below is a search bar with a magnifying glass icon and a 'Favourites' link.
 - Advanced search:** A button circled in blue.
 - Asset List:**

Code	Investment	Quantity (units)	
BFB9.GB	ZIM AAP Adventurous C Acc	5000	🗑️
CSF5.GB	Baillie Gifford China B Acc	5000	🗑️
 - Cash portion of the transfer:** Input field with '£ 100' and a dropdown arrow.
 - + Add another transfer:** A button circled in blue.

What if illustration Panel:

- Checklist of 9 items:
 - Changes to be illustrated ✓
 - Client details ✓
 - Edit payments in
 - Edit adviser charges
 - Add additional adviser charges
 - Investment selection
 - Add one-off withdrawal
 - Add/edit regular withdrawal
 - Illustration ready
- Buttons: 'Save and exit', 'Cancel', and 'Continue' (circled in blue).

Edit adviser charges

If you're editing an initial adviser charge, enter the amount and select **£** or **%**.

Confirm if any Ongoing Adviser Charges (OAC) will be deducted from the head account or the product.

Select **£** or **%**.

Confirm if the OAC will be tiered.

If the OAC isn't tiered, enter the annual rate amount and the frequency.

Confirm whether any assets should be excluded when calculating the OAC.

Tiered sub account ongoing adviser charges

Choose **Product**.

Select the **Tiers** drop-down to select a tiering structure that's saved on your network.

To create new tiering groups, enter the lower limit amount, and then select **Insert tier**. Repeat the step to set up all tiering groups.

Enter a percentage rate for each tiering group.

Key message

You can set up to a maximum of 11 tier groups.

Select the frequency from the drop-down list.

Confirm whether any assets should be excluded when calculating the ongoing adviser charge (OAC).

For more information about adviser charges at either head or sub account level, please visit our website.

Additional adviser charges

This screen will display the value of the account, the available cash and investments. You can draw additional charges from this amount to be reflected in the 'What if' illustration.

Enter the **ad hoc adviser charge** amount.

The screenshot shows a software interface for adding adviser charges. At the top left, it says 'What if illustration' and 'Add additional adviser charges'. At the top right, it displays 'Jessica Example', 'Client ID: 108', 'Product reference: NJ1000101-001', and 'Product: GIA'. The main content is divided into three sections:

- Available value:** Shows 'Total estimated value available' as £0.70, which is made up of 'Available cash' (£0.70) and 'Available estimated assets' (£0.00).
- Add charge:** Features a red-bordered box labeled 'Adviser ad hoc charge'. Below it, the 'Amount' is set to £ 50, with a note that the charge amount should be gross of VAT. The 'Outstanding Annual Consent Amount' is £199.00.
- What if illustration progress:** A vertical list of steps with checkmarks: 1. Changes to be illustrated, 2. Client details, 3. Edit payments in, 4. Edit adviser charges, 5. Add additional adviser charges (highlighted in red), 6. Investment selection, 7. Add one-off withdrawal, 8. Add/edit regular withdrawal, and 9. Illustration ready.

At the bottom right, there are three buttons: 'Save and exit', 'Cancel', and 'Continue'.

Annual consent amount

The platform will show the outstanding annual consent amount. If the charges you have entered exceed this amount you will be asked if you wish to increase the annual consent value.

Answer **yes** or **no** if you'd like to increase the annual consent amount.

If required, enter the amount that the client has agreed to pay in additional charges for each year.

Key message

Adviser charges will be paid from available cash in the client's product account. If there's insufficient available cash, we'll automatically sell selected investments proportionately to raise the required cash required. Ensure there's sufficient available cash and investments to make this payment.

Once you're happy with your additional adviser charge preferences, select **Continue** to move on to the next page.
