Expression of wishes (please tick one option only)

To ensure the scheme administrator can allocate death benefits as soon as possible following your death we recommend that you use this form to provide details of who you would like to receive any such benefits. You can amend your choice at any point in time. Your expression of wishes will remain in force until you notify us, in writing, of any changes you wish to make. If you want to nominate more than four potential beneficiaries please use additional copies of this page.

Please note: if you disclose personal information about a third party in this form, please ensure you have their permission and have informed them of the purposes for which their information will be processed, before doing so.

I wish the scheme administrator to pay any death benefits to the beneficiaries and in the proportions as follows:

Address	Date of birth	
	Percentage payable to beneficiary	%
Beneficiary	Relationship	
Address	Date of birth	
	Percentage payable to beneficiary	%

Beneficiary	Relationship

	Percentage payable to beneficiary	%

I would like the scheme administrator to consider paying the death benefits to a trust and enclose a certified copy of the trust deed with my application.

I understand that if the scheme administrator chooses a beneficiary who is not named in this expression of wishes, drawdown income would normally only be available in limited circumstances. Therefore in order to allow the scheme administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

This expression of wishes is not binding on the scheme administrator but will help it when considering who is to receive benefits upon your death.
