Documents to evidence your identity must be the most recent available to you. Documents to evidence your current residential address must be the most recently issued and ideally not more than three months old. All copy documentation provided should be suitably certified.

Documents that can be accepted as satisfactory evidence of identity

- a valid 'full' passport, true to size and full passport must be visible
- photo driving licence\*
- a photographic National identity card\*

\*if the document is used for ID it can't also be used for address verification as well.

Where the above documents are not available, two government issued certified documents, with appropriate reference numbers will be considered.

Documents that can be accepted as satisfactory evidence of your current residential address

- A current driving licence.
- A photographic National identity card.
- A utility, rates or council tax bill, dated within the last 6 months. Mobile telephone bills are not acceptable.
- A state pension, benefit book or other government produced document showing benefit entitlement.
- An account statement from a regulated bank, building society or credit card company, dated within the last 6 months. Statements featuring a "care of" or accommodation address are not acceptable. Non-bank cards, such as store cards are not acceptable.

- A mortgage statement, dated within the last 6 months.

## US Person

US Person means a US citizen or tax resident individual, who either holds a US passport, a US green card, has a US residential/ correspondence address or who was born in the US and has not yet renounced their US citizenship. More information on US FATCA can be found at [www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA](http://www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA).

**Please note:** All applicants must be UK resident (with the exception of Crown Servants who may be based abroad). Regardless of country of residence, we will not accept US persons. This is a Nucleus Policy not an RL360 requirement.

## Suitably certified copy documentation

RL360 can accept certification of copy documents by your financial adviser, assuming they hold established terms of business and, where appropriate, have been granted 'suitable certifier' status. Please consult your adviser to determine if they can certify your documents.

Where 'suitable certifier' status is not held, RL360 will only accept certification by one of the following 'suitable certifiers'

- A notary public (or equivalent).
- A commissioner for oaths.
- A lawyer.
- A formally appointed member of the judiciary.
- An employee of RL360.

The certifier must

- Add the statement 'Certified as a true copy taken from the original'.
- Sign and date the copy document on all pages.
- Print their name clearly in block capitals underneath their signature.
- Record the capacity or position in which they are certifying the document.
- Add their company name or official stamp or seal.

The documents received must contain the original certification and stamp.

When photocopying any document please ensure the photocopy is true to size. We are unable to accept copies reduced in size. You should also ensure the copy is legible.

## Trust application

All trustees must sign the declaration on page 18 and for each Settlor/Trustee the following should be submitted to support your application form

- Certified true copies of a full and current passport or drivers licence for each trustee carrying a photograph of the individual and certified true copies of proof of residential address. See below for a list of acceptable documents.
- Certified true copy of the trust deed and any subsequent deed(s), if a Will trust, we'll require Certified copies of the Will and Grant of Probate/Certification of Confirmation.
- If not detailed on the trust deed, full details of the settlor(s)/ protector(s) dates of birth and current address (if the settlor is no longer living the trustees should provide the date of death).
- Full details of all current named beneficiaries, including name, date of birth and current address (trustee(s) to provide). If a bare beneficiary we will also require their tax information (i.e. NINO/tax identification number), please add this to section 10 Additional Notes.
- HMRC rules, introduced from 1 September 2022, require Nucleus to obtain proof that the trust is registered with the Trustee Registration Service (TRS). Nucleus will require sight of the Proof of Registration document.

If applying for an RL360 trust (with the exception of the RL360 Loan Trust) the trust will only be able to be registered with HMRC once the policy has issued, as this is the date the trust is established. RL360 will request that a dated RL360 trust deed is provided along with confirmation of the trusts UTR/TRN post issue. This will not hold up the issuance of the policy. In cases where the RL360 Loan trust is being applied for, the trust is established once the loan payment is made to the trustees from the settlor for the RL360 Loan Trust. The trust can at this point be registered with HMRC rather than post issue to get the process started. If HMRC have not returned before the issuance of the policy with the UTR/TRN, this information can be requested post issue so that the policy is not delayed.

## Corporate trustee

The required number of authorised signatories must also sign the declaration on page 18 and the following should be provided to support your application

- Certified true copy of the trust deed and any subsequent deed(s).
- If not detailed on the trust deed, full details of the settlor(s)/ protector(s) dates of birth and current address (if the settlor is no longer living the trustees should provide the date of death).
