

How to top-up your existing Nucleus Isa

 6 minute read

This guide is designed to help you understand what you need to do to make a one-off top up to your Nucleus Isa.

We'll also let you know how long this process should take - from when we receive your instruction, to when your investment instruction has been processed.

If you'd like to make regular payments to your Isa, please refer to our other 'how to guide' - "How to make regular payments to an existing General account or Isa".

Annual Isa allowance

As at April 2026, the annual allowance for an Isa is £20,000.

Your Nucleus Isa is a flexible Stocks and Shares Isa. We don't offer a Cash Isa.

Although you can have more than one Isa, you can only pay into one Isa of each type and you can't pay in more than the total annual Isa allowance, for example:

- £15,000 into a Stocks and Shares Isa
- £5,000 into a Cash Isa

Therefore, if you've already contributed the full allowance to an Isa you hold elsewhere, in the current tax year, you won't be able to pay any money into your Nucleus Isa in the same tax year.

If you're only planning to contribute to your Nucleus Isa, you can use all or some of your allowance as long as it's before the end of the tax year on 5 April.

Flexible Isa

You can also replace funds that you've withdrawn from your Isa, if they're paid back in during the same tax year as they were withdrawn e.g. if you withdraw £5,000 in October 2026, you can pay up to £5,000 back into your Isa before the 5 April 2027, without it affecting your annual subscription limit. If you want to send some or all of your withdrawn amount back to us, the process is simpler, and you won't need to complete a new declaration.

Where do I start?

There are forms we'll need you to complete and a few different ways we can get these to you.

You'll find the forms you need on our website at nucleusfinancial.com/wrap/no-adviser or by clicking [Library](#) on Nucleus Go.

Or you can contact us by email or telephone and we can send these to you.

Email

client.contact@nucleusfinancial.com

Phone

0131 226 9535, Option 1

To make sure that we protect you and your assets, before we can process your instruction or share any confidential information, we'll always speak to you first and take you through some security questions.

Our security process is designed to protect you and your data so please do bear with us. We won't ever ask you to provide your full bank details during a call or ask you for any debit or credit card details.

What we'll need from you

- An [Isa declaration](#) – If you spent a period of time living abroad and have recently returned to the UK, we'll need you to sign a new Isa declaration before we can accept your money. If you've always been resident in the UK we won't need you to sign a Declaration.
- [Flexi Isa top up application form](#).

Available assets

You can instruct us to invest your money into assets you already hold or select new assets. Nucleus has a wide range of assets available for you to invest in, depending on your appetite to risk and your investment objectives. You can choose non-complex assets from the following asset types:

- Mutual funds, such as OEICS and unit trusts
- UK equities (traded on the London Stock Exchange, and traded in Pounds Sterling (GBP))
- Exchange traded funds
- UK government and corporate bonds
- Structured investment products (subject to any minimum investment amount).

We aren't authorised to provide financial advice, so we can't provide you with any recommendations or guidance on which assets to trade in. As you're a customer who isn't seeking advice you can only trade in non-complex assets. If you currently hold a complex asset, you won't be able to increase your holding in this asset. If you select any complex assets, we won't be able to proceed, and this may delay investment in other assets you've selected.

Our application form has a trading section for you to complete should you wish to invest your Isa subscription. It's also important that you read the 'right to cancel' section below when it comes to investing your money.

Completing the forms

- Isa declaration (if required) – please read the declaration, and if you're eligible to subscribe to your Isa please sign and date the form.
- Flexi Isa top up application form – please complete the single lump sum section.

It's important the forms are completed accurately and in full. If anything is unclear, this may delay trades being placed, which might adversely impact the amount you receive (units/shares).

Be sure to sign and date the application form and make sure you've added the correct account number.

Our forms are designed to be easy to follow and each box has a heading or a description showing what information we need. However, if you need any help to fill in the forms please get in touch as we can help.

Signing the forms

We can only accept a handwritten signature, in ink.

Returning the form(s)

You can post the forms to us at:

 **Mail** Nucleus, PO Box 26968, Glasgow G2 9DY

 **Email** Or you can return forms to us via email to client.contact@nucleusfinancial.com

We can accept scanned copies or clear photographs.

Next steps

Once we've received your instruction, we'll check it to make sure that it's completed in full and correctly. If it's all good, we can proceed.

Buy trades

As mentioned earlier we can only proceed with buy trades into non-complex assets and you're unable to increase your holding in any complex assets you already hold.

We'll send you the following documents:

- **Pre-sales illustration** – shows the potential costs and charges that are associated with your investment choice.
- **Key Investor Information document (KIID)** – summarises the key features of the asset and the risks to help you make an informed decision.

It's important that you read and understand these documents as they'll help you make an informed decision before we proceed.

We'll also send you a dealing notification letter along with these documents, and we'll need you to email us to confirm your agreement to progress or you can sign our dealing notification letter and post this to us. We'll need your confirmation before we can proceed.

Once we've received your agreement, we'll submit the top up application and confirm where money should be sent. Please don't send us any money before we've confirmed that we can proceed.

Other information

Right to cancel

If you change your mind after you've sent money to us, please let us know within 30 days. On the application form you'll have the choice to waive your cancellation rights or postpone the investment.

If you've waived your cancellation rights and we've already invested your money, depending on market movements, you may get back less than you paid in.

If you do choose to postpone your investment for 30-days, you'll receive the full amount back that you paid to us.

Trade cancellation

Once a buy trade has been ordered we can't cancel this for you.

Trade fees

We won't charge you for requesting trades. However, depending on your asset selection there may be fund manager charges or stockbroker charges. These will be shown on the contract notes, or you can see them in your account transaction history when you log into Nucleus Go, our online customer portal.

How long will this take?

Once we've validated your request, we'll add the payment to your account within 24 hours of receipt.

If you've waived your right to cancel:

- We'll place any requested buy trades the following day.

If you haven't waived your right to cancel:

- Your money will be applied to your account but won't be invested until the cancellation period of 30-days has expired.

We'll invest your money on the next available trading day after the 30-day cancellation period has expired.

If you've sent us a payment but we aren't ready to proceed with your application within 10 working days, we have a regulatory obligation to return the money to you.

Financial advice

Please contact us if you'd like details of advisers who use our platform in your local area. Or for a wider search, you can check out moneyhelper.org.uk/en/getting-help-and-advice/financial-advisers. If you decide not to engage with an adviser, we'd be delighted to continue to support you and administer your investments.

You should make sure that any adviser firm you're looking to appoint is authorised by the FCA. A full list of authorised firms can be found at <https://register.fca.org.uk/s/>. Simply scroll down to 'Check information about a firm, or an individual at a firm' and enter the firm name, then check the radio button alongside 'Firms' and click search. You can then review the results of your chosen firm.

Execution only

When you ask us to trade on your behalf, without a Nucleus platform adviser, we'll accept and process your instruction on an execution only basis. This means that you haven't asked for or received advice from us or any of our employees,

If you have not received advice from a financial adviser, we must remind you that progressing on a non-advised basis may affect the regulatory protection you would otherwise be entitled to. For example, you will not have recourse against an adviser firm in regard to investment decisions made by you. Your right to pursue compensation via the Financial Services Compensation Scheme is not affected when we execute a transaction for you on a non-advised basis.
