What is this document about?

- This document sets out the types of investments you may hold in your Modular iSIPP. Please note that the inclusion of any asset types on this list does not mean that we endorse or recommend them, and returns on your investments are not guaranteed.
- As we are not regulated to provide advice, you should read and discuss this information with your Financial Conduct Authority (FCA) regulated financial adviser so they can help you choose the right investments to suit your circumstances.
- All investment transactions must be carried out on a commercial basis. Please note that we reserve the right to decline making an investment if the provider will not provide us with suitable monthly reconciliation data, or for any other reason we deem appropriate.
- The information in this document is based on our current understanding of HM Revenue and Customs (HMRC) guidelines and our own policies, both of which may be subject to change in the future. In particular, if any investment purchased is deemed to be taxable under pension legislation and/or HMRC rules, any subsequent tax liability incurred will be your responsibility.
