Using this form

This form should be completed if you wish to provide details of who you would like to receive any lump sum or pension death benefit from your SIPP on your death. It does not bind us as the scheme administrator but will help us when considering who is to receive benefits upon your death.

Please complete and submit additional copies of Sections 2 and 3 if more beneficiaries are required.

Please note: If you disclose personal information about a third party in this form, please ensure you have their permission and have informed them of the purposes for which their information will be processed, before doing so.

If you would like more detailed information on the options available to your beneficiaries, you can access guides on our website literature.nucleusfinancial.com and speak to your adviser.

Your expression of wish can be changed at any time.

Important notes

Tax on lump sum benefits

If you, as the original member, were to die before turning 75, your SIPP fund may be passed to any beneficiary free of income tax, provided this is done within two years of the date that Nucleus is notified of your death and the payment does not exceed the lump sum and death benefit allowance. Any amount that exceeds that allowance will be subject to income tax at the marginal rate of the recipient beneficiary.

If you die aged 75 or older and your beneficiary chooses to receive a lump sum, the payment will be subject to income tax at their marginal rate.

If the beneficiary is a non-qualifying person, such as a trust, different tax rules apply. Please contact your tax or financial adviser for more details.

Tax on pension death benefits

Where your beneficiary elects to take an income, this will be free of income tax if you die before age 75.

Any funds designated for pension death benefits more than two years after the notification of death will be taxed at the beneficiary's marginal rate of income tax.

If you die aged 75 or older and your beneficiary elects to take an income from the fund, they will pay income tax at their own marginal rate.

Tax payable on the second and subsequent deaths

On the deaths of the recipients of your pension fund, any residual pension fund can be passed on to a beneficiary of their choosing. The age of the immediate predecessor at the time of their death is the determining factor in establishing the tax rate to be applied against the payment of a lump sum or an income to a beneficiary.

Payment of death benefits

You can use this form to select up to four individuals to receive any lump sum or pension death benefits from your SIPP. On the deaths of the beneficiaries of your pension fund, any residual pension fund can be passed on to a beneficiary of their choosing.

If you die after buying an annuity

If you have used all or part of your fund to buy an annuity then, on your death, the benefits paid will depend on the options selected when the annuity was purchased. Where you have purchased an annuity, you can choose to include a beneficiary's pension.

Please note that the above is based on our understanding of the relevant legislation and regulations and may be subject to change. The tax treatment depends on the personal circumstances of each individual and may be subject to change in the future.

Data Protection

You can access full details on what to expect when we process your personal data under your product in the Privacy Notice, which is available on our website nucleusfinancial.com/privacy-notice or by calling us on 03455 212 414.

Section 4 - Additional considerations

Please complete this section if you wish to provide any additional information that should be considered.

Section 5 - Your declaration

I accept that Nucleus will assume that where I have disclosed information about another person I have:

- obtained their consent to disclose such information, and
- informed them of the purposes for which their information will be processed.

I understand that if the scheme administrator chooses a beneficiary who has not been named in Section 2, 3 or 4 above, the option for drawdown income would normally only be available in limited circumstances. Therefore in order to allow the scheme administrator to pay drawdown income to as wide a range of beneficiaries as possible, and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

I acknowledge and declare that this expression of wish is not binding on the scheme administrator but will assist them in making its decision on who shall receive benefits in the event of my death. The scheme administrator retains discretion as to who will be entitled to benefits following my death and the proportions allocated to each recipient.

I declare that this expression of wish replaces any previous request given by me in connection with the payment of pension death benefits.
